

Are ready for lasting positive change? Looking for a transformational road map to help you create your best life? This is it...Spiritual Transformation Simplified™ ~ The Six Fundamentals for Life Mastery! A step-by-step guidebook created to streamline and demystify enlightenment, based upon the culmination of Candace Stuart-Findlays years of quantum science research, personal spiritual reawakening experience, and transformation facilitation for a worldwide client base. The information contained within its pages provides a wholly new straightforward framework for manifesting your best life. Each fundamental creates the foundation for the subsequent one, thus building the infrastructure for lasting joyous transformation. Additionally, exercises are included at each chapters end to help readers more fully understand and integrate the material. Those who practice the Spiritual Transformation Simplified™ fundamentals will experience lasting transformation, easily tapping into their greater self guidance to co-create the best life imaginable!

Global Encounters: International Political Economy, Development and Globalization (International Political Economy Series), Stress: Your Questions Answered (The Element Guides Series), OZN - Adevaruri ascunse (Romanian Edition), I Know You Love Me To My Husband, Bill, Mindfulness for Beginners: How to Live in the Present Moment with Peace and Happiness, My God is Greater: A Discourse on the Sovereignty of God,
