

## Leading Matters: How to enjoy and lead a walk in ten easy steps

Lets walk! But where? How? Who with? How far? A multi-day back-packing expedition or a stroll in the park? This book covers these questions, and will take you through ten basic steps to enjoying walking/hiking/tramping/rambling. Above all, the author provides the key to successful walking -leadership. Peter Davies has led walks in Britain, France, Austria, Spain, Switzerland and New Zealand. He gives practical advice - with stories from his twenty years experience - on achieving the pleasures of walking and avoiding (mostly) the perils.
