

A STEP AT AT TIME In Becoming a Writer and Self-Publisher

Looking for a guide to kick start your writing career and eventually publish? This book is a must read whether you're new to writing, or you've done it before and stopped, but wanted to give it another go. The journey isn't always easy and the roads can be filled with discouragements, dissolution, and even self-doubt. But it's entirely up to you to make your journey enjoyable, rewarding and worthwhile. And this book will help you make it happen. This book is about... Discovering the writer in you and be the kind of writer you wanted to be; Finding whether writing is really for you and how to incorporate it in your day to day life; Providing you with ideas on what it entails to write and self-publish; Offering you valuable tips and creative considerations on your journey to self-publishing; Harnessing your drive to write and how to keep the passion alive; Preparing yourself mentally to face any challenge ahead; Recognizing the common fears you are likely to face and how to manage them; Equipping you with knowledge to be strong, so you can overcome any challenges and setbacks; and Encouraging you to take the first step and make your dream a reality!
