

Hi, I am Tom Garris The Originator Of The New Writing Form I Term, The Starticle. The Starticle Series, is an Advanced Reading Inner Guide Series To Knowledge, Wisdom And A Better Success; A liquid subset highlight of the profound PFOSH Compendium. A Starticle, is a combination story-article document, thats brief, and thought provoking. The story-article aspect might be a mention, or it might be a dissertation, that is sometimes combined with a practical moving story involving life situations. The Starticle Is The Form Of Writing That Steps Far Beyond Philosophy, Religion, Ideology Or Just Conceptual Thought. It Is A Form Of Writing That Accounts For An Evidence Of Logic, That Bridges The Gap, Between The Known And Unknown. • It Is A Form Of Writing That Connects Intrinsic Sensibilities, With Practical Application, Due To Its Cornerstone PFOSH principle, Stating That Everything Is Connected, Nothing Is Divorced From Itself. • It Is A Form Of Writing That Is Immersed In Conceived Perceptions Of An Implied Translatable Understandable Inner Technology. • The Starticle Is A Form Of Writing To Be Used, To Inform, Educate, And Justify The Tangible, Practical, And Intrinsic Sciences, That Are Embedded Within The Shrouds And Mysteries Of Belief. The Starticle, is itself a technology, which is configured as a blended cross-pollinating document, containing the combined aspects of a story, and an informative article. The accrued Advanced Inner Technology perspective intrinsic knowledge and wisdom, that is presented in this series, far exceeds the price of any one of its booklets, After all, you cant put a price on You Becoming A Better You. The opportunity to give yourself permission to think on your own; for yourself, and more importantly, outside-the-box, enables you to take command of your freedom to be you. The Starticle is an attractive story which most likely should contain an aspect of real life emotional, interactive social, interactive environmental, or, some relative situation. The Starticle should incorporate a paired intrinsic or factual correspondence, to the operations of an inner technology fact of existence within the physics of this Mother Nature. This, Is The StarticleNow, immerse your better self with this Starticle. Success Factors - The Real Wealth. Think; Success Is A Family Thing. Why is this? At least, in its lower incarnations, its a cosmetic evidence of things that appear to be complimenting the desires of us human characters. Success Has A Mother, And Her Name Is Rich. Success Has A Father And His Name Is Wealth. Together they comprise a holy trine of geometry, where each has the ability to be the offspring of the other. Go figure... Now when you really get down to it; I mean the family structure; you start considering the world of expression where this trinity is in an observable form of human evidence that is considered, reality. Self development, self confidence, self improvement, pattern recognition, intelligence, wisdom, and other family relatives, display a unique feature quality of being able to interchange their behavioral attributes, between themselves. Now heres a mind boggle. Success is an androgynous principle and thing. It carries its own seed, and can fertilize its own egg. It can become what it is , in scale enormity, and presence of density. Success is a child, and fractal of itself. Just like people coming out of other people, it can reproduce offspring of itself. It is what it is and nothing less than that. Just like a frequency.
