

The 100 Best Companies to Work for in the UK

An incisive and most revealing guide to the country's key employers. From the massive multinational to the smallest family firm, these companies have one thing in common. They are all excellent employers. In the most comprehensive survey of employment in British industry ever undertaken, more than 1500 companies have been evaluated on eight primary criteria - pay, working environment, benefits, ambience, promotion, equal opportunities, training, financial performance. Whether you are a company chairman or in search of your first job, this book is essential reading. It also shows how business can boom when management offer inspired leadership and treat their employees with respect.
