

Sisters and Brothers of America: journey of a great monk (Inspiration Book 1)

This book is based upon the life and the journey of the great monk of India Swami Vivekananda. I cherished my country truly before I went to America and England. After my return, each particle of dust appears consecrated to me. Swami Vivekananda. Swami Vivekananda, a man known for his extraordinary caliber and cherished pupil of Sri Ramakrishna Paramahansa is still a source of inspiration even today. The present short memoir is planned to help the individuals who, with all their genuineness, have not the time or the chance to know about the Swami. He was known by the name Narendranath Dutta before transforming into a devout. He devoted his life to the nation, and to the oppressed. He broadcasted the greatness of Hinduism and of Hindu society in America during an era when the West viewed India as a place where there are savages. His ringing words aroused the sleeping Indians. It is Swami Vivekananda who could be ascribed the credit for establishing the framework for the foundation of Ramakrishna mission. Even the prominent leaders of our country such as Mahatma Gandhi and Subhash Chandra Bose greatly acknowledged his works and efforts. He should be given the credit for giving the country a current vision. His impact prompted the presentation of Vedanta theory in America and England. His words and his messages bring new trust for a sinking country. An epitome of quality, if all his teachings ever need to be described in single word, that expression would be COURAGE an element quality. Over his life of thirty-nine years, he composed inspirational poems, delivered numerous of inspirational lectures and proved to be a true guide to many of needy persons. He likewise sorted out the Ramakrishna Order of ministers, which is the most exceptional religious association of modern India.
