

American Sniper Mindset: Precision Thinking for Maximum Achievement

The American sniper, like the late Chris Kyle, is to today's U.S. military what the 300 Spartans were during the Battle of Thermopylae in Ancient Greece. He is a critical member of THE VITAL FEW that make it possible for the important many to execute the necessary actions that are aimed at keeping all of us and our loved ones safe in our Homeland and abroad. In this one of a kind eBook, that should take you less than 15 minutes to finish reading, you will learn which elements of the mindset of the American master sniper you can bring into your own life in order to increase the precision by which you can accomplish your objectives, goals, and dreams. More importantly, you will learn how you can integrate these mindsets into your own thinking and behaviors so that they can become a permanent part of who you are.
