

Boy Toy: No Longer to Be Played With

Toya is on her seventh home and she's only sixteen years old. Next stop, a residential treatment facility. Toya has no clue what a residential treatment facility is, but she knows she wants no parts of one. So she has to clean up her act. No more cussing, no more drinking, no more fighting and no more steamy internet videos the kind that got her kicked out of her last two foster homes. She's just been moved to a new foster home possibly her last foster home and all is well. A new home in a new town, but her old ways seem to follow her wherever she goes. Not only that, but one of her fiercest demons has just emerged from the shadows of her past and threatens to drag her down once again. In order to survive, Toya must do something she hasn't dared to do in a very long time trust. Boy Toy is the story of one girl's journey from the lost to the loved.
