

Your Creative Peace Unit 3:: A View into the Collaboration Process

Unit 3 A Look at The Collaboration Process Creativity Christian Artist Creativity Deepen your Creative Voice While Communing with God The My Creative Peace Program consists of three modules you can choose to facilitate one or all three. The program is packaged so that you can share 1, 2, or all 3 with your group. Module 1: Find and Deepen Your Creative Voice Description: Prepare to journey deeper into the prospect of living a more creative life through creativity and spirituality. This course offers an opportunity to follow your inner urgings to be a creative person while at the same time integrating your creative outlet with your Christian life. This course is set up as a 5 week course for exploring a new creative venue or pick up a Creative activity that has long lain dormant. The exercises will accommodate whatever outlet you wish to explore - simply come with the willingness to lean into creating your own creative peace. WHAT TO EXPECT FROM THIS MODULE: Module 3: Creative Collaboration A Journey into Collaboration: Exploring the Ways in Which Creativity and Christianity Work Together in Collaboration with Others Description: The collaboration process is one opportunity that, when entered into with the hope and expectation which precedes any new endeavor, can feel like first love. I have found however, that when one or a number of partners come in with a bit more to offer than maybe some of others in the group, the joy can quickly turn to frustration and can be about as painful as a breakup. The idea of flying solo and spreading your wings fully start to feel exhilarating! At the same time, I believe that collaboration, when approached correctly can offer as much IF NOT MORE to building community as well as the individuals identity. BUT the connection must be approached thoughtfully and with eyes wide open. IN

this module, I will share the story of my first collaboration and offer some suggestions on how to keep your individual artist voice while also remaining a valuable member of the group. I hope you walk away encouraged by another way GOD gifts us with the love that can be found in community. WHAT TO EXPECT FROM THIS MODULE: Through visuals, essays and exercises, you will work through your process facilitated by my own creative journey. This session is broken down into 4 weeks. Each week offers three SETS OF exercises to challenge you both creatively and spiritually. The sections include: Are you Open? Do you need to Declutter? Are you Comfortable with Imperfection? Is there Beauty at the Finish Line?
