

Sarah and Jen are two different women in two different times. Each faces her own unique journey through abuse. Each of them got there without quite knowing how it happened and ill prepared to face it. And each woman in her own way confronts and triumphs over the abuse in a powerful witness to her children and her world. Heart Shaped Tears is every womans story in that it encompasses the deep blood red of both love and pain, tears of both sorrow and joy and the journey through heartbreak and hope. It is a story of survival and suffering and deliverance and the triumph of hope and truth. It is a journey through ones own soul into the very heart of God.
