

My Testimony Before & After Grace

Its not easy being brought up in the ghetto. In fact, it is one despairing struggle for survival Faith. Raised by a single mother and grandmother, young Faith is ruthlessly exposed to the seamy side of ghetto life. Set against this squalid background, the chances for Faiths continued existence appear bleak. She takes to selling drugs, and soon, the money was rolling in. Nevertheless, the downward spiral continues. This is a story of courage, of faith in God, and of the enduring belief that there is a guardian angel for everybody. Is there a better future for her, does Faith take it?
