

## Christian Ethics in Plain Language (Plain Language Series)

This book provides a comprehensive introduction to Christian ethics, suitable for individual study or textbook use in a Bible college or seminary. The first four chapters survey of the field of Christian ethics before focusing on specific issues. Eighteen chapters confront all of the issues faced by believers today, including a discussion of racial issues that goes beyond black and white, business ethics on this side of Enron, and war and international relations in light of today's headlines.
