The greatest life lessons I learned were from my grandparents who raised in Africa. From them I learned WICKS (Wisdom, Intelligence, Courage, Knowledge, and Strength); coupled with the discipline, hard work and perseverance we all require. These simple motifs have served me very well. Ive been blessed to have survived a civil war as a young child and was able to find my new home in this beautiful country, The United States of America; and along the way became a medical doctor, an Author, a Motivational Speaker and a mother of eight wonderful children. I have used this well-organized sequence of steps throughout my life. The formula, when applied accurately, never fails to produce results, and it is easy to use. But The 10 Powerful Steps Formula is not a walk in the park. By reading one step each day, you will be prepared to take the lesson given at the end of each step.
