

The 40-Day Healing Season: Moving from Devastation to Restoration (The Healing Season)

A 40-Day Challenge to Heal Tornadoes they can blow into our lives through divorce, sudden illness and loss. For Shannyn Caldwell, it was an actual F4 tornado that tore through the Cincinnati area on April 9, 1999 killing her parents, Lee and Jacque Cook. For years, Shannyn was broken, but worst of all hopeless. Then came The Healing Season. Based on the book *The Healing Season: How a Deadly Tornado Wrecked and Reshaped My Faith*, The 40-Day Healing Season is a devotional discovery tool that invites you to bravely walk through the heart of your personal tornado while holding the hand of the Healer. Throughout The 40-Day Healing Season you will: Take daily time to Be Still, allowing God to calm your storm Write your thoughts in your daily journal (with customized idea starters) Meditate on daily Bible verses Pray each day for your healing The 40-Day Healing Season gives you space to address the pain you are dealing with. It will help you put words to what you are going through. - Todd Smith lead singer of Dove Award winning band Selah I will be using this book as an invaluable tool in my ministry for years to come. Lillian Easterly-Smith, BCPC Exec. Dir. LifeCare Christian Center, Author of *The Great Exchange* A reliable guide to transform personal crises into opportunity for growth.
