

The Apocalypse of Pseudo-Ephraem: Does it Support a Pre-Tribulation Rapture?

The Apocalypse of Pseudo-Ephraem: Does it Support a Pre-Tribulation Rapture? by Robert Alan King is a booklet with 3,600 words. This booklet examines the document as a whole to demonstrate that it does not support a pre-tribulation rapture position. Even the crucial passages are shown to be supportive of a post-tribulation resurrection when examined in their context. The booklet further discusses the Latin and the Greek of the critical passages, and provides a new unbiased translation of section two of the document by Dr. Paula Stiles. Robert Alan King is an ordained minister through Calvary Chapel.
