

## Battle for the Throne: Tales From Falyncia Book One

The sword quivers in Alaina's hand. With one final stroke she can slay the gladiator, win back her freedom ... and lose the trust of her people forever. The Kingdom of Falyncia is caught in a war between a guardian spirit and a powerful demon. Alaina barely escapes with her life, yet she vows to one day claim the throne. When she finally returns home, the enemy has her in his grasp. Now she must choose between freedom and staying true to her people. If she fails to kill the gladiator, torture awaits. Can she find the courage to face it? Or will the demon triumph again?
