

The Beginners Guide to Finding Your Perfect Job: How to Discover Your Real Lives Work

A job or your destiny? Designed to help job seekers align their outer careers with their inner values, The Beginners Guide to Finding Your Perfect Job offers a radical new approach to career change for our times. Author Rick Jarow - founder of the national Anti-Career Workshop seminars - reveals the seven principles of career transformation that can help you move beyond self-limiting thoughts and patterns so the work you do in the world reflects your integrity, passion, and sense of purpose. With special guided meditations, insights on how the power of spirit can help with a career move, and many eye-opening examples from the real world, here is a welcome guide to finding work that is not just a job - but a destiny.
