

Traditional Values (Volume 1)

(Originally titled Discipline Desired) ALL CHARACTERS ARE PURE FICTION. The content however is mostly fact.
Lisa's marriage is heading for the rocks and there is nothing she can think of to avoid the impending crash of divorce until she discovers Domestic Discipline. Her life and marriage are transformed when she asks her husband to assume the role of the Head of the Household. To hold her accountable to a set of agreed upon rules and to discipline her whenever she breaks them. Is she crazy? A question many, who willingly put themselves in the same position, ask and to a one, answer NO. It works, it really works. Follow Lisa and John as they embark on their journey into Discipline and Punishment and judge for yourself. Discipline Desired is a fictional tale, based upon factual advice, information and experiences from real men and women living the Domestic Discipline lifestyle. In over 90% of the men and women I spoke with, the Taken in Hand, (most often, but not always the female partner) was the person who suggested the idea to their spouse. The TiH would often suggest/request the rules they have in place. Those living the Domestic Discipline lifestyle would not choose to go back to their old way of doing things. In my conversations, the inclusion of Domestic Discipline in all cases improved their marriage/relationship and in many cases saved their marriage. Discipline Desired is both a great read and an introductory guide to Domestic Discipline. This book is for mature audiences only.
