

Boys Club

Cartoonist Matt Furies deadpan comics showcase slacker roommates Andy, Brett, Landwolf, and Pepe in a series of comical vignettes combining laconic psychedelia, childlike enchantment, drug-fueled hedonism, and impish mischief. The perpetually insouciant glaze of his characters belie the sharp verbal and visual wit of Furie, who delivers a stoner classic for the Tumblr generation. In fact, Furies wildly popular teenage weirdoes became an overnight internet sensation when Pepe the Frog was widely adopted by users of 4chan and remixed ad infinitum from there (including uses by pop stars like Nicki Minaj and Katy Perry), giving Boys Club built-in recognition with many. A spiritual cousin to Simon Hanselmann's Megahex and Joan Cornellas Mox Nox, Boys Club's sense of humor will especially resonate with fans of stoner comedies and black humor.
