

The Causes of the Corruption of the Traditional Text of the Holy Gospels: Being the Sequel to The Traditional Text of the Holy Gospels

John William Burgon (1813-1888) was an English Anglican divine who became the Dean of Chichester Cathedral in 1876. He is remembered for his passionate defence of the historicity and Mosaic authorship of Genesis and of Biblical inerrancy in general. Apart from the poem Petra, Burgon's most notable works for which he is remembered today are The Revision Revised which was a critique of the then-new Revised Version of the Bible (1881), The Last Twelve Verses of Mark, The Traditional Text, and Causes of Corruption of the Traditional Text of the Holy Gospels.
