

Reaping Me Softly (The Reaper Series Book 1)

Ever since a near-death-experience on the operating table, seventeen-year-old Arianne Wilson can see dead people. Just as she's learned to accept her new-found talents, she discovers that the boy she's had a crush on since freshman year, Niko Clark, is a Reaper. At last they have something in common, but that doesn't mean life is getting any easier. All while facing merciless bullying from the most powerful girl in school, Arianna's world is turned upside down after Niko accidentally reaps the soul of someone she loves. This sends them both into a spiral that threatens to end Arianna's life. But will Niko break his own Reapers code to save her? And what would the consequences be if he did?
