

Magic Wars: Book 2

Welcome to Book 2, where you can find 13 more chapters: Combining magic, violence, mysticism and a boundless imagination, MAGIC WARS tells the story of how a planet, inhabited by hundreds of breeds of magicians, falls into a world war because of the Magiska, the religion of the magicians. In its pages, the reader will discover the adventures of Billy Gaka, a poor 14-year-old magician, refugee of war, who in the midst of the war decides to borrow money to bet on a dangerous and illegal street fight to help his ailing mother. Echevenskos invitation is to read the first page and let yourself be carried away by a story full of imagination with scenes and characters never before seen in a book of fiction.
