

## The Dark Rose (The Dark Rose Series Book 1)

Explore the lyrical romantic language of Shakespeares time honored classic Romeo and Juliet by delving into a new world of death defying love of unrivaled passion in the dark otherworldly twist: THE DARK ROSE

+++ By cosmic fate the Rose and Gray vampire covens have warred for centuries, but from the fatal fangs of these two foes a pair of star-crossed lovers are born that live to defy and challenge their forebears invested hatred. But to defy the authority of fate is to incur its wrath.

Spoiled and headstrong, seventeen year old Princess Pandora la Juliet Rose is still relatively human as the vampiric virus has yet to claim her. Smothered by her fathers strict rule she has never known the danger her title ensues. But when Pan escapes her bodyguard and sneaks into the Gray Princes birthday bash, her stolen night of freedom and fun has her confronting death itself in a form she was never prepared for.

Prince Dominic del Romeo Gray is tired of war, blood, sex and politics. But when Pan dances into his life, her innocent beauty capturing him whole, reawakening his dead soul, the need to have her takes possession of his heart so viciously, Dom is willing to sacrifice all to fulfill his greed. But in his need, little does he realize she will. However, he is not the only one to set his desires on Pan. Her innocent yet mischievous allure has also captivated the interest of a dangerous suitor who is willing to use his political connections to start a new war to get his way, one that may destroy the very person both men seek to possess. Pan and Doms forbidden love affair is a whirlwind of passionate secret encounters that unleash upon them a dangerous web of volatile obsessions, jealous betrayals, brutal murders, and devastating lies where only in death is their loves salvation. Because love born in defiance has consequences no one could ever predict as they fight desperately,

defying all, including their descended fate of ancestry consequence to die by suicide at each others sides. They write a new fateto live dead, neither fed to grounds cold bed.Previously published as Valentine Ramsey
