

The Devils Panties (Volume 6)

The Devils Panties is a daily journal in comic form. It is a semi-autobiographical account of the life of the author. Semi? Well... Names have been changed to protect the guilty, locations altered to prevent extradition requests and hijinks reduced to believable levels. In this sixth volume Jennie finds herself acting as a mid-midwife, running afoul of all the laws and facing one of the biggest surprises of her life. This printed volume includes redrawn and edited content along with commentary, incriminating evidence (photos) and all new strips not found on the website. See more at thediavilspanties.com.
