Dione Lucas (1909-1971) was an English chef, and the first female graduate of Le Cordon Bleu. Lucas was fundamental in establishing an unprecedented extension of the famous Paris Culinary School in London in the 1930s. She later opened a Cordon Bleu restaurant and a cooking school in New York. Dione Lucas was the first woman featured in a cooking show on television. She can be seen as a predecessor and influence to Julia Child. Dione Lucas authored several cookbooks on French cuisine. Marion Gorman adapts Ms. Lucas techniques using healthy ingredients.
