

Auralict (The Divided Realms Book 3)

Following the nightmares of the Goblins Gauntlet, Willow faces life with a broken spirit and a broken heart. She is easy prey for the seductive faerie prince, Theon Thornheart, who tempts her with a powerful, addictive elixir that warps her magic. Meanwhile, dark forces in Clarion set the stage for a new Game that will place humans, faeries, and goblins in a magical battle of wits. Does Willow have the strength to resist Theons temptation and the ability to restore the Balance of the realms?
