

Using An Egg Donor: To Tell Or Not To Tell: A Nonjudgemental Guide for Parents When Considering Their Choices

In this guidebook, you will discover what motivates parents to share or not to share their decision to use an egg donor, and will consider the issues you may need to bear in mind as you prepare to make a difficult choice. You've come this far in your journey to parenthood; this guide will assist you in clarifying your needs and will help you to determine the long-term impact of whatever decision you make.
