

# The Egyptian Arch-Gnosis and Its Call in the Eternal Present, Vol. 1

A commentary on the Tabula Smaragdina (The Emerald Tablet) and the Corpus Hermeticum. These two ancient Egyptian treatises attributed to Hermes Trismegistus reveal a message that has been handed down since humanity's earliest beginnings: that the fundamental obstacle to awareness of Gnosis is the I-central self, and that this state of separation can be healed through the resurrection of the Spirit-Soul or Nous in the human being. How this can come about is amply explained in the four volumes of The Egyptian Arch-Gnosis.
