

The Essential Las Vegas Weddings Guide 2014

Las Vegas is the acknowledged wedding capital of the world, but with over 90 wedding chapels and almost 750 wedding packages to choose from it can be difficult to know where to start. Covering everything you need to plan your perfect Las Vegas wedding, this book gives you step by step help to the practicalities of getting your marriage licence, introduces you to the wedding chapels and packages available, and helps you plan your perfect wedding, renewal of vows or commitment ceremony. In addition, you'll find the most romantic locations, iconic ceremonies such as drive-through and Elvis weddings, and options for destination weddings including the Grand Canyon. You'll find the chapels famous for celebrity weddings, a look at the quirkier wedding options, and an overview of themed weddings from pirate ship weddings through to gothic and beyond. The author was a Las Vegas bride herself, and has been running a website about getting married in Las Vegas since 2006 which has helped ten of thousands of brides-to-be plan their perfect Las Vegas Wedding.
