

The legendary golf instructional, available again. This is, along with Harvey Penicks Little Red Book, THE book Golf professionals turn to. Thirty years ago I was recommending Joe Dantes book The Four Magic Moves To Winning Golf as a must read for aspiring PGA professionals. What Dante said in 62 has influenced many of the games finest teachers. Dante was a visionary.--Gary Wiren, author of New Golf Mind When published, The Four Magic Moves To Winning Golf radically changed the way many players thought about the golf swing. Dantes system showed how simple it was to improve ones game, and at the same time gave the golfer one of the most comprehensive analyses of swing mechanics ever published. Now, thirty-three years after its original publication, Main Street is proud to reissue this classic instructional. Dante begins by sweeping out all the misconceptions of the game. If good golf is to be learned and the poor player is to improve, a purging must take place, painful as it may be. Dante discusses a few basics of grip and stance, and then he gets to the heart of his book, the four magic moves. As he reveals each of the moves, Dante focuses on the physical checkpoints so that any golfer can make sure that his or her swing is on the right track. The Four Magic Moves To Winning Golf is straightforward and easy to understand, yet unlike other golf books it is irreverent and audacious in its approach to mastering the game. The publication of this rediscovered classic is sure to establish Joe Dantes reputation as one of golfs greatest teachers. From the Trade Paperback edition.

21 century vocational planning materials: International Trade Practice (Finance and Economics), Free Spirit: A Climbers Life, When a Heart has no Ears Poetry collection.: Also a section on why second rejection happens and how to cope with it., What Separates the Rich from the Crowd?, Aradia: Gospel of the Witches (Annotated), Sacramental discourses on several texts, before and after the Lords supper: with a paraphrase on the Lords Prayer, Fundamentals of Multinational Finance: AND International Marketing and Export Management (5th Revised Edition), THE TRINITY OF LIGHTS, The Rangers Miscellany,
