

Overview

For thirty-one years, the RMS Queen Mary sailed the North Atlantic. It helped defeat Hitler and was the ship of choice for the worlds rich and famous. Now in retirement in the Port of Long Beach, the Stateliest Ship Afloat plays host to tourists, travelers and more than six hundred spirits that roam her halls and passageways. These choice decks remain the floating home of a few regulars, including the oft-glimpsed White Lady, as well as Little Jackie, John Henry and, of course, Grumpy. Join paranormal investigators Brian Clune and Bob Davis as they take you to the hot spots of activity from port to starboard and relate tales from the dockside about the spirits that haunt the grandest liner ever built.
