

Widow: A Loss Like Mine

The only thing you can take with you when you leave this world are the things you've packed inside your heart- S. Gale
Adjusting to the changes you will face after the death of your husband may seem daunting at first, but please remember that you are never really alone in the process. You are now a part of a club you never considered joining. Even though you did not ask to be a part of this club, you must know that we all understand what you are going through and ultimately we are all here for the other members.
