

The Journey of Life: Confronting, Celebrating, and Coping with its Experiences

The journey of life from birth to death is a phenomenon that is common to all human beings. Its an experience that transcends all the variables of our existence such as race, religion and nationality. How we reach our destination, accomplish our goals and realize our God-given destiny is contingent upon our ability to navigate the contours of that journey. We can indeed celebrate the blessings and successes, confront the obstacles and cope with the myriad experiences of lifes journey. This book is addressed to all who struggle to meet the challenges of lifes journey. Some chapters provide us with powerful and compelling stories of those who in the face of adversity and disappointment did not retreat nor surrender but who through faith, determination, patience and indefatigable will were able to triumph over the troubles, trials, temptation and tribulation of their experience. Other chapters provide the reader with stories that serve as sign posts that allow one to make the appropriate detours and diversions in order to avoid the pitfalls and potholes of lifes journey. The content of this book provides us not only with a road map, but also with some valuable tools for our survival kit as we traverse the diverse landscape of that journey.
