

Killer Vol. 5

The final adventure of an unnamed contract killer who dives into the ethical issues of his actions while becoming entangled in international intrigue. A professional. A man of few scruples, nerves of steel, and a steady trigger finger. A man whose crimes might be catching up with him. A man on the verge of cracking . . . Archaia presents the final installment of The Killer, a hardboiled, noir series following an assassin lost in world without moral compass.
