

## The Kingdom Of Fire: The Legend of Princess Cally

Deep in a valley surrounded by mountains lives Princess Cally, beautiful and unique in complexion. This is a story of a young princess, her father, and the mysterious events that unfold in the inner parts of the Earth. In a World with monarchies, kingdoms, creatures and human-like beings, controlled by the Empress Grav and her laws, Cally lives in a monarchy, cut off from the outer world when a group of people from various kingdoms suddenly enters the Charcoal Monarchy, everything changes. The Prince of the Charcoal Monarchy listens as they explain the vast advanced world beyond his monarchy. He decides to send a large expedition under the leadership of the Commander of the army, Commander Soot: Callys father, and the Grand sage of the monarchy giving them an ancient magical spear and a black book to assist them on the journey. Cally hides in her fathers carriage and by the time her father realizes this, it was too late to return Cally to the Charcoal Monarchy. Together they discover countries in the Inner World where they experience wonders and magic like never before. Difficulties and dangers abound. Years pass. Things change. People change. Emotional love stories unfold and tumultuous encounters transform life as they know it. Will love and truth prevail? Or will they remain suppressed and hidden within the darkest corners of the world forever? Journey into the Inner World and discover a place unlike anything youve ever imagined. A place that will change the way you see life, love and your world. Forever.
