

The Last Superhero

WHAT WOULD HAPPEN IF THE GODFATHER MET THE INCREDIBLES? The Wagners are a superhero family dynasty who have always protected the city of Coreopolis. The grandpa, John Utticus Wagner, is revered in the superhero community. He consistently invited to speak at superhero symposiums, has dined with the President, and has a sterling reputation as a model superhero. Every young superhero wants to be like John Utticus Wagner. Unfortunately, John's son, Orville Wagner, is not the man his father is. He's a terrible klutz who always manages to create disasters, like derailing subway trains and accidentally injuring innocent bystanders. Orville is mocked in the superhero community, and the family's once sterling reputation is tarnished. They no longer are seen as the protectors of Coreopolis. They are the laughingstock of the city. When a new super villain starts terrorizing Coreopolis, it's up to John, Orville, and Orville's son, John II, to stop the villain and restore the family's honor. The question is, can an old man, a klutz, and a boy stop a maniacal super villain?
