

The Lazy Girls Guide to Success

Do you yearn for success of the financial, social or material kind but dont get around to picking up the phone, writing your CV or pushing yourself to the limit? Are your friends whizzing up the ladder of life while you are just treading water? If so, The Lazy Girls Guide to Success is the kick in the pants you sorely need. Learn about: career success - where are you heading and why?; social success - expanding your social life; financial success - turning your finances around; love success - whats holding you back?; and, body success - the real you versus the fantasy. Crammed full of quick, easy and simple tips, read The Lazy Girls Guide to Success and find out your success quota, what to do to re-launch your career and love life, and how to go from a sofa hugging, wine drinking flake to a mesmerising, charismatic girl about town.
