

The Leadership GPS: Your Turn by Turn Guide to Becoming a Successful Leader and Changing Lives Along the Way

The Leadership GPS uses the inspiring story of Brian Alden in a turn-by-turn guide to becoming a successful leader. A member of the Millennial Generation, Brian is highly educated and wants to change the world, but when he finds himself in his first leadership role, he realizes he is short on experience. The head of his division is retiring and his manager is disinterested in training or development so who can he rely on for direction? Denis McLaughlin invites you to join Brian on his leadership journey as an unexpected mentor guides him on the paths of successful leaders from the past.
