

BE THE LOVE YOU ARE. FEEL YOUR INNER-FLOW AS YOU READ. ~ a feast of soul-food for all to cherry-pick from ~ The Legends of NOW, is a love anthology of self-empowering and inspiring writings. These stories, poems and brief essays explore the nature of existence, the power of universal love and its individuated self-direction. This is Frieda Livesey's first published work and comes after many years of writing about her relationship with the universe and the steady inner strength of all that is love-alone, beyond any and all words, as a vibration. Her passion is to share what she is learning, step by step, with all others interested in exploring their inner landscapes more deeply. She shares her experience through her business, Heart to Heart Healing. She facilitates universal life-force-healing energy work through sharing her inspired soul readings, animal and human energy field-balancing, intuitive meditation classes and inspirational workshops.
