

Love Notes: Stories of Love, Loss and Coming Together

Collected from the Chicago Tribune column of the same name, Love Notes is an intimate look at the charms and challenges of love in the modern age. Containing 50 profiles, each a personal account of a couple finding love, this uplifting collection tells the unique story of a real-life people and the love that keeps them together. After each profile there is a set of mini-love stories, comprising short reader-submitted accounts of their own coming-together tales. Love Notes presents the stories of relatable couples from all walks of life, sharing their diverse experiences and inspiring happiness. This book reveals the challenges and commonalities of couples young and old, newly engaged and long lasting, as well as traditional and nontraditional. These stories celebrate relationships through their turbulence and triumph, leaving readers with a broader view of the surprising paths that lead one person to another and inspire them to find love notes of their own.
