

The people suffered under two oppressive systems. On the one hand they lived under the shadow of the Mighty Roman Eagle and the Good News of peace on Earth through the military power of the lord and savior, Caesar. On the other hand they suffered the judgment and condemnation of the religious elite that believed Jehovah's grace was only large enough for law-abiding Jews. The radical teacher from Nazareth, named Jesus, came to tear down both of these destructive systems and offer an alternative way of being. He offered a new kind of kingdom where love, mercy, and forgiveness was the path to true life. In this study you will follow Jesus' life story as it is recorded in the four gospels of the New Testament - Matthew, Mark, Luke, and John. All four Gospels have been combined to create one continuous story. The study is divided into 15 Sessions with 5 lessons each. On your own you will read the text, answer the study questions, and chew on the food for thought. There is also a just for kids section to involve the whole family. Ideally you will gather with others in a small group or house church to discuss your findings and encourage each other to follow the teachings of Jesus.
