

## The Lioness of Brumley Hall: And Her Most Unusual Grandchildren (Urwelt Chronicles)

Synopsis of BookAzalea knows everything there is to know about Brumley Hall, even though she is only ten years old. She knows her American grandmother morphs into the Lioness on occasion and refuses to be recruited by spy agencies. She knows that Her Ghostly Majesty, Queen Victoria, is particularly fond of sponge cake with layers of jam and whipped cream at tea time. She knows her cousin, Schuyler, can fly through wormholes in times of danger and levitate all the time. She knows her little brother, Bumbles, most definitely cannot levitate. She knows her best friend, Sam, can conjure fireballs to deal with all sorts of pesky vexations, like kidnappers. She knows Schuyler's friend, Barty, is over one hundred years old, but doesn't look a day over twelve. She knows that Narcissim Pillage, a greedy plant with swiveling beady eyes, big purple heads and gnashing teeth, must never be healed, well almost never. She knows her grandmother is protecting a very young Tibetan Buddhist monk, who may be the future Dali Lama. She knows the Faerie Queen of Urwelt, who lives deep inside the woods near Brumley Hall, needs the Lioness to help defend her realm against the horrid and truly evil King Ascaric. Azalea knows everything there is to know about Brumley Hall, except what will happen next. About the BookThe Lioness of Brumley Hall, the first book in the Urwelt Chronicles series, is a new family oriented action fantasy adventure which introduces you to a magickally gifted family pushing the limits of their powers to battle against dark magickal forces with surprising results. TheUrwelt Chronicles is a visionary/ magical realism adventure series for middle grade and adult (grandparents and parents) readers alike where the grans learn to use their magickal skills with spiritual discernment and courage for the greater good. Isabelle Clemens, the Lioness and matriarch (Gran) of the family, oversees

the world of Brumley Hall and its magick, mystery and mayhem set in north Wales. Brumley Hall is a most unusual manor house hotel run by quirky adults trying to keep the resident children with magickal abilities unsuccessfully under control. Its packed with generational references, humor, witty wordplay, and enough magickal adventures for all (way too much, as Gran would say). The Lioness also possesses many unique magical abilities that various international spy agencies would like to use. Her refusal to do so is not taken lightly. The Faerie Queen also needs her help in protecting the little faerie princess, Rhiannon, from King Ascaric who would like nothing more than to use her to gain more powers for conquering the faerie realm of Urwelt. A young Buddhist monk also finds a safe haven at the Hall until called to fulfill his destiny. If that were not enough to keep Gran busy, her grandchildren also share her Siddhi abilities (teleportation, healing, levitation, time-travel, and conjuring the elements). But great gifts can come at great expense and Gran must ensure that her grandchildren understand the costs. A good sense of humor can often smooth away the rough edges and help from unexpected places is always welcomed. A cast of unlikely characters awaits your immersion into life at Brumley Hall. The second installment, The Lioness and the Faerie Enchantment, is well underway and will be published next year.
