

The Little Book of Moments

The Little Book of Moments is an uplifting collection of vignettes that take a refreshing sideways look at everyday life, and uncovers the joy that can be found anywhere by simply living in the moment. Thoughtfully written, with lovingly hand-drawn illustrations, each piece in this collection will inspire the reader and bring a smile to your face and heart. Beautifully written, charming little read with the feel-good factor! Jeff has such an entertaining and unique way of showing how living in the moment is attainable in everyday situations. The authors compassion and insight turns each of his little moments into life lessons, seeing the love and beauty ever present in the world we live in... This is a little gem of a book to keep on your shelf and pull out as a source of comfort whenever life gets a little bit challenging.
