Homes were destroyed, families torn apart, and even the sweetest magic twisted by darkness. Even years later, the world remains damaged, unbalanced, and dangerous, waiting for someone who might restore what was lost. Only the magic of twins has a chance, but the birth of twins is exceedingly rare. In our own world, Ellie and Savannah know nothing of this. They know nothing of other worlds, magic, or even each other. Until magic blooms inside, them and draws them together. After years of feeling alone, raised apart and in the wrong world, the twin sisters are reunited at last. They find their way home, and discover their destiny. The girls are welcomed into a grand mansion, the safest place in the aftermath of the storm. There, they learn who they are and what they have to do. To restore the world, they must travel through the mansion to the center of magic and reset the balance. They discover their magical abilities, find joy and friendship in the mansions family, and face the dangers of the storms left-behind magic. The journey to the center of magic is full of twists and turns, magic and excitement.
