

Terrorism and Kids: Comforting Your Child

The world today is a scary place. WILL YOUR CHILD BE OK? Did you know that: * Children who see terrorism on television are as traumatized as if they had been there? * Preoccupation with bruises and scraped knees can be a sign of trauma in children? * Children can experience long-lasting effects of hearing about terrorism *months* later? Terrorism and Kids: Comforting Your Child is a guide to answering the unanswerable. It will help you to help your children deal with fears without making them afraid of life. A powerful and insightful book dealing with the issue of terrorism and how children perceive it. This book addresses: * What to do * What to say to children to calm their fears * Practical advice and tips on discussing current events, new threats, and a changing world An excellent resource for parents, teachers, counselors, and anyone who deals with children on a daily basis. A compelling glimpse into today's world and America's newest challenge. Senator Edward M. Kennedy, Massachusetts
