

## The Mother I Carry: A Memoir of Healing from Emotional Abuse

In *The Mother I Carry*, acclaimed author of *The Obsidian Mirror*, Louise M. Wischchild, again eloquently explores her childhood and her journey to heal, this time focusing on her relationship with her emotionally abusive mother. Wischchild moves between her present life and her childhood memories to uncover her own emotional development at different ages beginning with infancy. Using therapy, creative expression, inner voices and bodywork, Wischchild shares her journey of change and personal empowerment. An eloquent and moving book for those wanting to explore their relationship with their mothers and also for those who want to better understand child development, emotional abuse and healing.
