

Have you ever wondered where Eureka Ideas come from? Just imagine the level of success you could achieve if you knew how to come up with original and valuable new ideas whenever needed. Despite what you might think, you do have the ability to come up with Eureka Ideas. You also have the innate ability to solve any problem. The MultipleMind Method will show you how to think in an extraordinary way and become an Ideas Person. Based on extensive research, this book will teach you: - the 7 step idea generation system that every genius uses to produce groundbreaking ideas - how to tap into your four brainwave states in order to come up with ideas and solve problems - an advanced type of brainstorming called Crowd Creativity that will enable you to powerfully tap into the brains of other people - how the 7 step process eventually triggers your superconscious mind, which is where all Eureka Ideas originate from So its not just a lucky few people who possess creative thinking skills. That ability is within you now. You just need to learn the skills that highly creative people use.
