

Here is lively and challenging book for the intelligent enquirer who may wonder what all the fuss about religion has been! The author writes for people who believe that there is more to life than meets the eye, but who find the exclusive beliefs and practices of many religious people repellent and unconvincing. The book attempts to rescue religion as an inclusive phenomenon, which can bring people together to work for the flourishing of life on earth. It doesn't avoid questions of truth, as many such attempts do. Readers may not agree with the book's argument and conclusions. Nevertheless, they will be challenged to ask themselves: if not this, what interpretation of religion is best placed to humanize and divinize us?

The Art of Angel Sanctuary 2: Lost Angel (English and Japanese Edition), Determinants of Employees Affective Response to the Use of Information Technology in Monitoring Performance (Classic Reprint), Tibet (Genocide and Persecution), 3 Jedi Mind Tricks for Street Fighters, From Poverty to Potential, Catalyst: Wilder Times, JOB # 1: The Devils Plaything Part 1, The handbook of folklore, Baptism in the Holy Spirit,

The Nature and Name of Love: Religion for the Contemporary World Deus Caritas Est, First Encyclical of Pope Benedict XVI, God is love, Caritas, agape. In a world where the name of God is sometimes associated with vengeance or The Old Testament firmly opposed this form of religion, which .. First, eros is somehow rooted in man's very nature Adam is a seeker, who **THE NATURE AND NAME OF LOVE: RELIGION FOR THE** The Nature and Name of Love: Religion for the Contemporary World.
