

## The Official Liverpool FC Handbook 2006

The Liverpool FC Official Yearbook 2006 will become the bible of club information for Reds fans everywhere. Every contact number you will ever need is included, from the Box Office to the Official Liverpool Supporters Club. More than this, the Yearbook will answer every question on facts and stats about the famous Reds. Fittingly, there will be a key section on Liverpools exploits in Europe with comprehensive information about former opponents and famous games. There will be a full Premier League section and the definitive guide to the clubs FA Cup history. There will also be fascinating insights into legends. For instance, can you statistically compare the immortal Bill Shankly and his famous partner in glory Bob Paisley? All of the 2004/05 playing stats will come as standard. This is the kind of book that you will take down from your bookshelf time and again as a source of reference. To complete an outstanding package, it will feature some of the finest pictures from matches involving the Reds over the past 12 months, not least the sensational Istanbul triumph over AC Milan and the sensational Champions League semi-final victory over Chelsea.
