

My Lover, My Friend: Achieve Good Chemistry, and Fall Deeper in Love

As you read *My Lover, My Friend*, you will see both the triumphs and the trials of couples trying to get it right, but not knowing how. Be informed and stirred to develop a more agreeable relationship. But also have your passions reignited so you can fall deeper in love while exploring more intensive ways of communicating your thoughts and feelings. Many couples never develop long-term friendships, which impedes progress and faithfulness. Through your reading you will discover that the power of your words and developing the capacity to listen with your heart, you will make a more appealing friend, but will also fuel the flames of an explosive love life. Finally, you will learn how to embrace and celebrate change so that your relationship will continue to escalate as you grow together.
